90 Day Maintenance Drug Benefit

WHAT IS THE 90 DAY MAINTENANCE DRUG BENEFIT?

The 90 Day Maintenance Drug Benefit is administered by our Pharmacy Benefit Manager, Express Scripts. It allows members to fill maintenance drugs for a 90 day supply at a reduced cost.

At KEHP, "Members Matter"

HOW DOES THE 90 DAY MAINTENANCE DRUG BENEFIT WORK?

Members can get a 90 day supply of prescribed Maintenance Drugs two ways:

- Participating Retail Pharmacy
- Express Scripts Mail Order

At KEHP, "Members Matter"

RETAIL PHARMACY OR MAIL ORDER?

Participating Retail Pharmacy

- Members will receive a 90 day supply of prescriptions the day the prescription is filled for a reduced cost.
 - Member must have prescription filled at a participating pharmacy. (Not all pharmacies in the Kentucky Employees' Health Plan participate in the 90 Day Maintenance Drug Program)
- Members can find participating pharmacies on KEHP's website at kehpn.ky.gov.

RETAIL PHARMACY OR MAIL ORDER?

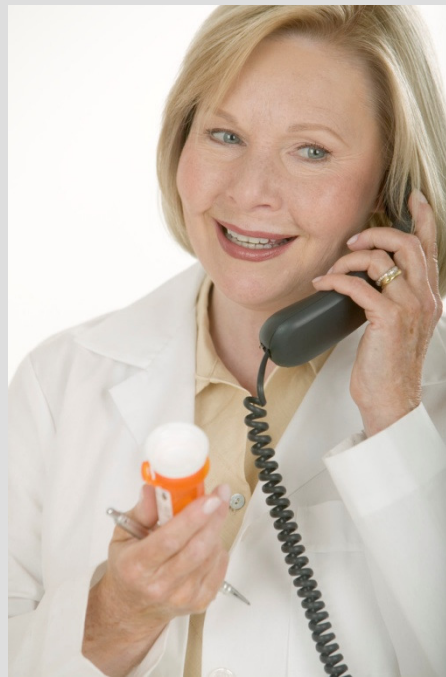

Express Script Mail Order

- Maintenance drug prescriptions filled at 90 days and delivered to members door.
 - Payment must be received or credit card is billed at the time of the refill
 - Delivered within 14 days from receiving the order
 - Automatic refills will be sent unless member contacts Express Scripts to stop the fill of the prescription
 - Members can manage their prescriptions by creating an account with Express Scripts online
 - Great benefit and service to members

IS MY PRESCRIPTION ON THE 90 DAY DRUG BENEFIT LIST?

Members can contact Express Scripts to verify if their drug is eligible for the 90 day drug benefit at 877-597-7474.
